

SWNGL-2

29 April 1957

MEMORANDUM FOR: Chief, Soil Design Section

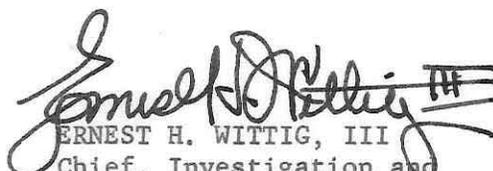

SUBJECT: Brays Bayou, Locations of Core Borings

1. Tabulated below are locations of borings 6ST-69 through 75 inclusive and 6ST-96 and 97, as furnished by personnel of the Galveston Area Office, 29 April 1957. Elevation of natural ground at each boring locations is also supplied.

<u>BORING NO.</u>	<u>STATION</u>	<u>OFFSET</u>	<u>LINE</u>	<u>ELEVATION OF NATURAL GROUND</u>
6ST-69 ✓ 109	109#65	354' Rt	"F"	43.72
6ST-70 ✓	118#48	113' Lt	"F"	38.84
6ST-71 ✓	129#20	20" Rt	"F"	44.70
6ST-72 ✓	140#00	85' Rt	"F"	42.84
6ST-73 ✓	164#05	160' Lt	"F"	46.84
6ST-74 ✓	170#10	135' Lt	"F"	48.75
6ST-75 ✓	179#30	150' Lt	"F"	49.28
6ST-96 ✓	82#40	5' Rt	"F"	51.97
6ST-97 ✓	95#59	18.5' Lt	"F"	45.92

2. These borings are the last to be tied-in as elevations and locations of all other borings laid out and drilled for the Brays Bayou project have been previously reported.

3. If any additional information relative to the locations or elevations of these borings is desired please advise.

ERNEST H. WITTIG, III
